

## USER TESTING CONSENT FORM

### Prototype Usability Testing

#### **Purpose of the Study:**

You are invited to participate in a user testing session as part of a university project. The goal of this study is to evaluate the usability of a mobile application prototype designed to assist users with public transport planning. Your feedback will help us identify areas for improvement and enhance the overall user experience.

#### **What You Will Be Asked to Do:**

You will be asked to complete a series of simple tasks using our prototype. After completing the tasks, you will be asked to fill out a short survey (e.g., SUS questionnaire).

#### **Voluntary Participation:**

Your participation is completely voluntary. You may withdraw at any time without penalty and you are not required to answer any questions you are uncomfortable with. You may also skip any task if you choose.

#### **Confidentiality:**

Any feedback or observations gathered during the session will be used strictly for educational purposes and group project evaluation

#### **Consent:**

By signing below, you acknowledge that:

- You have read and understood the information above.
- You voluntarily agree to participate in the usability testing session.
- You are aware that you may withdraw at any time.
